

Raja Rogers Meeting Notes April 4, 2006

Raja Rogers called from the Brahmastan of US, near Smith Center, KS:

Rajas are there, except DC Rajas, plus Eike Hartman, Bevan, John Hagelin. Maharishi is very happy with the way things are going. As we were approaching this area, the feeling became very nice.

Broadcast on last Tues – Dr. Hagelin spoke on A and Ka. He will be speaking at Morehouse College in Atlanta in a few days – they are opening a Center for Science and Spirituality. Biggest and most elite black college for men. He is the Inaugural speaker. Estimating a crowd of 2,000.

Since then, Maharishi had them working vigorously to establish Peace Palaces there. Need a 1 ft topo map to establish where to put them. 480 acres purchased. Maharishi said, “It’s the strength of the place, not just the strength of the person.” The Brahmastan is like a leverage spot, like the hub of the wheel. Maharishi feels that what happens here will influence the country. Never heard Maharishi so blissful. One of the most powerful projects that Raja Rogers experienced. Maharishi said the reason you are having to stay there is because when everyone puts their attn on the project, it makes it move more quickly.

Expecting the delivery of 15 Peace Palaces in the next few weeks. 2 hour commute from where they are staying (Salina) to the land.

Maharishi wants several hundred people living there soon. Feels like they brought the spark from the Brahmastan of India and are lighting the light in the Brahmastan of the US.

Maharishi wants Dr. Hagelin to establish the US Peace Gov there and offer courses for that. Maharishi is focused on students and courses there. He did say we should have some pundits there.

Further calculations by Eike were done and the center point has shifted from what was inaugurated 10 years ago.

We have had positive reactions from the community there. Mayor of Smith Center is from Iowa and he is welcoming because he knows we will bring good economy to the area.

Everyone should really be looking for property with greater intensity because the Peace Palaces are coming on the boats.

How is the builder now involved?

The people who built the Peace Palaces will send a crew of 15 or so to construct the Peace Palaces. We need to provide a foundation.

404-754-8616 – Raja Rogers cell phone number when traveling.

What would cost be for a local community to buy a pre-built Peace Palace?

\$5,000 - \$10,000 to start plus the property and go to the bank and get a loan.

Morehouse College inauguration – Dori and Steve should be there to help Dr. Hagelin answer questions after the talk. April 6 at 11:00am.

Stuart Rothenberg talked about their upcoming CIC:

We are happy to announce that Boca Raton, FL will be holding a Center Invincibility Course (CIC) the weekends of **June 2-4**, **June 9-11** and **June 16-18**. If you have any meditators who would like to rise to be Sidhas and join this course, please email Stuart and Joan Rothenberg bocaraton@globalcountry.net. They will be happy to help locate housing with proper orientation for CIC participants coming from out of town for these three weekends.

Meditators must attend at least one Residence Course before taking CIC. If you have a CIC applicant who needs to meet this requirement, there are still 3-4 rooms available at the Residence Course/WPA in Delray Beach, May 5-7. Please contact Stuart or Joan at the email above if anyone is interested.

This is an excellent opportunity to spread the word about CIC to your meditators. To that purpose, Raja Domain 4 Administration will send you some promotional materials to use to inspire your meditators.
